

DMI Data Reporting for J&A

On the Disciple Maker Index (DMI) Survey, there is a lot of great data to sift through including top strengths, opportunities, benchmarks, key drivers and more. Over the next few months, we will continue to share more of our results and parish data to keep all informed. Let's take a look at our strengths and opportunities by highest and lowest percentage of a strongly agree response.

Strengths

“

Eucharist is the body and blood of Christ

Belief

“

Scripture is the word of God

Belief

“

Information availability

Community

Our strengths show **strong Catholic beliefs** and availability of information to parishioners. We have a strong history of **transparency** with multiple **communication** methods and **touchpoints** including social media, bulletin columns, sharing during mass, etc. A foundation of **trust** exists that people come to really value.

Opportunities

“

Sharing personal story

Conversation

“

Confidence in teachings

Conversation

“

Sharing the story of Jesus

Conversation

Following the trends of other parishes, we have an opportunity for **growth** in **discipleship**. On the heels of our Pentecost mission, now is the time! Soon we will be sharing resources to help you tell your **story**, learn about small group formation **offerings** that we currently provide as well as opportunities for **spiritual direction**.

Overall, we are seeing very positive feedback around the consistency of mass attendance, the likelihood to recommend our parish, pastor, day school, and PSR and also not surprisingly, **a strong community feeling shines through the data!**
